EXPERIENCE

Feb 2024 - Jun 2024

Dynamind Agency • Design

I worked as a Designer, developing digital animations and motion graphics, as well as creating posts for social media, banners, and email marketing. My role included the creation of materials and layouts, unfolding pieces, and finalizing files for graphic projects.

Mar 2022 - Nov 2023

Mixer Films • Motion Designer

At Mixer Films, I worked as a Motion Designer, using After Effects and Adobe Premiere to produce 2D animations and edit digital videos for Casas Bahia, as well as working briefly with VFX. I refined animation and post-production techniques, contributing to successful projects and impactful corporate videos.

Jan 2021 - Mar 2022

Agência Thought • Intern

At Thought Agency, I developed social media campaigns, edited videos, and created intros, banners, ads, and email marketing using Photoshop, Illustrator, and Adobe Premiere. I was responsible for creating advertising pieces and visual identities, as well as image retouching and layout development.

Jan 2020 - Sep 2020

Coala Filmes • Pos-Production

As a Freelancer, I worked on creating assets for a stop-motion feature film and developing subtitles.

EDUCATION

Audiovisual Production • FMU

Graduated in Audiovisual from FMU in 2021, I bring expertise in program editing, video finalization, and creating intros. I excel in manipulating audiovisual materials using tools like Adobe Premiere and After Effects, with solid skills in editing and finalization.

Animation Design • SENAC

Graduated in Animation Design from Senac in 2019, my focus is on creating intros, motion graphics, and 2D/3D animations. With experience in video editing, motion graphics for corporate videos, and art direction, I excel in post-production using tools like After Effects.

Multimedia Production • SENAC

Development of digital arts, Creation of websites for the internet, Video production audiovisuais, Creation and development of web games and digital animation.
